

Gate City Dixieland Band Concert Fundraiser Oct. 5th, 2022

Sponsorship Form

Founded in July 2000 as a 501(c)(3) corporation, the Fine Arts Foundation of the Westby Area mission is to support artistic excellence for the City of Westby as well as Coon Valley, Chaseburg, Viroqua and other Driftless communities. Shortly thereafter, FAFWA partnered with the Westby Area Schools with the objective of building a 498 seat auditorium/performing arts center and sustaining endowment fund.

The goal of our coming event, the Dixieland Band concert on October 5th, is to bring those from our community and other groups and individuals from outside our community, to Westby to spend a day enjoying all we have to offer. We strive to work with local shops, businesses, restaurants, and individuals to increase activity in the community before and at our concert:

Please consider selecting one of the options below to advertise your business and/or support our fundraiser concert.
